

PUBLIC NOTICE

CHANGE IN THE BUSINESS REGISTRATION PROCESS

Dear esteemed clients

Kindly be informed that there will be a change in the Business Registration Process.

This change requires that the business registration fees be paid upon submission of the Application for Certificate of Fitness/Registration and no longer after the compliance inspections have been completed. The rest of the process remains as is.

This change is effective from the **03 June 2019**.

All queries regarding the above should be directed to:
