

Helena Mootseng
Public and Community Relations

Esteemed City of Windhoek Leadership & Colleagues,

The long weekend is here and so is pay day. While both give us good reason to be jolly and plan for a break away. Lets please remember to do so safely. Safety is a attitude, and that attitude shows up in your behavior... its in what we do and how we do it.

HERE ARE A FEW ATM TIPS TO KEEP IN MIND, TO KEEP SAFE

- **Don't** use isolated ATMS, ATM fraud spikes around long weekends and holidays as the criminals are looking for a quick buck.
- **Don't** use poorly lit ATM's if the lighting is bad, you become a easy target.
- **DON'T ACCEPT HELP** at a ATM, these guys impose help that is not needed. Simply cancel the transaction and walk away! Better safe than sorry!

IF YOU ARE DRIVING

- **Don't** drive under the influence of alcohol, while tired or after medication that may interfere with your ability to concentrate.
- **Buckle up**, it can make the difference between life and death. (A fatal accident occurred last night where the deceased was thrown out of the vehicle and succumbed to injuries, indicating the seatbelt was not on)
- **Remember SPEED KILLS!**, its more important to arrive alive.
- **Plan trips** so that you can use the road when its the least busy, we cant all drive Friday and drive back Monday.

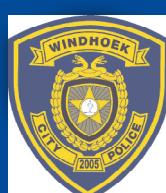

LEAVING YOUR PROPERTY

- **PLEASE MAKE SURE YOU LEAVE A RESPONSIBLE PERSON TO LOOK AFTER YOUR PROPERTY or beef up security on your property.**
- **Ensure that they have all the relevant safety & security numbers** (City Police Toll Free 302 302 SMS 4444, Emergency Services 211111)
- **Inform your neighbor** that you will be leaving town and ask them to keep a eye over your property.
- **Inform City Police** so that Zonal operational patrols will keep a extra eye during patrol.
- **NEVER LEAVE** Vacant property it's a easy target.
- **Report suspicious** movements in your area immediately! Don't underestimate the difference your call can make!

REMEMBER YOUR ACTION IS NEEDED FOR US TO ENFORCE THE LAW

- Report noise Pollution
- Traffic Accidents
- Kasie/Street parties

Remember, The City Police is committed to serving the residents of Windhoek in terms of safety. We will gladly play our part please help us make Windhoek safe by playing yours.
