

Firefighter Wellness Calendar 2027

Supporting the Heroes Behind the Uniform

The Firefighter Wellness Calendar is more than just a calendar — it is a tribute to the men and women who dedicate their lives to protecting our community.

Following the success of our first calendar, the Windhoek Fire Brigade Services is proud to launch our second edition, featuring a special collaboration for the first time with the Miss Namibia finalists. This unique partnership celebrates courage, compassion and community spirit, bringing together two groups committed to making a positive difference.

Funds raised through the calendar will support initiatives focused on the physical, emotional, mental and social wellbeing of our firefighters. Firefighting is one of the most demanding professions, requiring not only physical strength and endurance, but also emotional resilience, mental wellbeing and strong support networks.

Behind every uniform is a person who faces challenges, sacrifices time with loved ones and responds to emergencies when others need help most. By investing in firefighter wellness, we invest in healthier, stronger and more resilient heroes who continue to serve our community with dedication and courage.

To make this project possible, we are offering advertising opportunities within the Firefighter Wellness Calendar. Businesses and organisations are invited to partner with us by securing advertising space, helping us cover the production costs while gaining valuable exposure through a meaningful community initiative.

By advertising in the calendar, you are not only promoting your brand — you are directly contributing to the wellbeing of the firefighters who stand ready to protect our community every day.

Join us in celebrating and supporting our firefighters — because those who care for our community deserve to be cared for too.

APPLICATION DEADLINE: Friday, 4 September 2026 at 16:30.
