

Order your Firefighter Wellness Calendar 2027

Supporting the Heroes Behind the Uniform

Celebrate the courage, commitment and dedication of the men and women who stand ready to protect our community every day.

The Windhoek Fire Brigade Services Firefighter Wellness Calendar 2027 has arrived!

Following the success of our first edition, this year's calendar brings something special — a first-time collaboration with the Miss Namibia finalists, combining beauty, bravery and community spirit in support of an important cause.

A calendar with a purpose! Every calendar purchased contributes towards initiatives that promote the overall wellbeing of our firefighters, supporting programmes that strengthen their physical fitness, emotional resilience, mental wellness and social support.

At only N\$250 per calendar, this limited-edition calendar makes the perfect give-away, appreciation gift or collector's item for individuals, families, businesses and organisations. It is more than a calendar — it is a meaningful way to show your support for the heroes behind the uniform.

Firefighters go above and beyond in times of crisis. This calendar is an opportunity for the community to give something back and show appreciation for those who protect us when we need them most.

Own a piece of this inspiring project and support firefighter wellness. To order your Firefighter Wellness Calendar 2027, please complete the order form below and submit it as indicated.

Businesses and organisations can also become part of this initiative through advertising opportunities available in the calendar, helping to make this project possible while showing support for our firefighters.

Together, let's honour those who protect us.

ORDER DEADLINE: Friday, 4 September 2026 at 16:30.
